In Re: *Docket to Establish Generic Performance Measurements, Benchmarks and Enforcement Mechanisms for BellSouth Telecommunications, Inc.*

Docket No. 01-00193

MOTION TO ESTABLISH ORDER OF PARTIES AND WITNESSES

All parties sponsoring witnesses in this case request that the parties be allowed to present their cases in the following order: BellSouth Telecommunications, Inc. ("BellSouth"); Birch Telecom, Inc. ("Birch"); DIECA d/b/a COVAD Communications, Inc. ("Covad"); ATM-Discout Communications, Inc. ("Discount"); Time Warner Telecom of the Mid-South, LP ("Time Warner"); MCI Metro Access Transmission Services, LLC ("MCImetro"); Brooks Fiber Communications of Tennessee, Inc. ("Brooks Fiber"), (collectively ("WorldCom"); AT&T Communications of the South Central States, Inc. ("AT&T"); and ACCESS Integrated Networks, Inc. ("ACCESS").

BellSouth will present its witnesses in the following order: William Taylor, Ronald Pate, David Coon and Edward Muldrow.

The parties recognize that the Authority reserves the option to recall witnesses after they complete their oral testimony and the agreed schedule allows for all witnesses to be available to be recalled. While a few witnesses to this proceeding (one each from ACCESS and Birch and two from BellSouth) are required to testify before other public service commissions during the week of August 20, the order of parties/witnesses discussed and agreed to by the parties is designed to maximize the number of days witnesses will be available to be recalled during the hearing. The agreed schedule allows for all witnesses to be available to be recalled in Tennessee, although not all witnesses will be available all five days of the scheduled hearing.

My office has contacted counsel for each of the parties listed above and all concur in this request.

Respectfully submitted,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
